Over 1 billion sign-ups and 1 million cafes !
Naver Cafe is part of daily life in Korea.

Think of Naver as Korea's Google.
It offers email, maps, a dictionary, and more.

We use the Cafe as our official community.
Many professors also use it for their classes.

How to Use Naver Cafe

1

Follow the join rules

Every Cafe has its OWN joining rules.

If you don't follow them, your request might be rejected.

(For example, Some Cafes ask you to use a specific nickname
— like in the image below: Student ID / Major / Your Name.)

2

Read the announcements

Posts with red titles are important announcements.

Check them so you don't miss anything !

(It also helps to see how others post and comment in the Cafe.)

#Did you know?

Over 90% of Korean college students use it.
Only verified students can access boards.

You can organize your class schedule
and share it with your friends.

You'll find many boards: for club promotion,
marketplace, class reviews, and more...

How to Use Everytime

1 Verify your student status

Tap the profile icon on the main screen and select "학교 인증 (School Verification)". You must complete this step to access the full community.

2 Follow the community rules

You can post anonymously, but illegal, violent, offensive, sexual, or political content is restricted.

Some boards (like the promotion board or the club board) only allow one post every 3 days to prevent spam.

#Did you know?

The shuttle bus can only be paid with PAYCO.
Just show your ticket in the app to the driver.

Cultura, the cafeteria, and nearby convenience
stores accept PAYCO, letting you earn points.

Join the “점심친구 (Lunch Buddy)” event in the
app to get 15% of your payment back in points.

How to Use PAYCO

(If you're not sure, just check the guide linked on the previous page !)

1 Verify your student status

Go to the “캠퍼스 (Campus)” menu and verify with your student email.

2 Add a payment method

Top up PAYCO points from your bank account, or link your personal card.

3 Use the “Campus” menu

Use “빠른 결제 (Quick Pay)” to pay at partner stores, or go to “승차권 (Tickets)” to book your shuttle bus.

Want to make your own merch?
This is the place for you! :

CK MakerSpace

(a.k.a. CK Makers Lab)

#Did you know?

It's very popular with students. Be sure to book or call before visiting ! (☎ 031-639-5795)

It offers a workspace, goods shop, and equipment like 3D/UV printers, laser cutters, and more.

You can make goods at much lower prices than other companies in Korea. Perfect for small runs !

How to Use CK MakerSpace

1

Make a reservation

You'll need a Naver account. Be sure to read the instructions on the reservation page carefully!
For inquiries, you can visit in person or give them a call.
(031-639-5795 / Phone inquiries are available in Korean only)

2

Follow the staff's guidance

When you arrive after making a reservation, the staff will guide you through the process. They're ready to answer your questions and assist you.
